DOVER LODGE 443: CHAPTER 567

MOOSE NEWS

Message from the Governor

I would like to first take a moment to thank Dan Moynahan for having been the Governor of this Lodge for the last two years. Dan, you did a great job, and you should be very proud of the accomplishments of your team! Please, everyone, when you see him around at the lodge remember to say thank-you. It is not often that we take the time to thank those around us. I would also like to take a moment to congratulate the new board of the Women of the Moose; I look forward to working with all of you very closely this year!

I am going to reiterate the goals I set at the installation ceremony. I believe these to be very important to all of us as we continue to grow as the best fraternal organization in this town!

First and foremost, we must continue to support our weekly Bingo night at the Seacoast Bingo Hall. It really is our lifeblood. This weekly evening, manned by an amazing group of volunteers is how we are able to support all the great causes that we support. I would like you all to consider coming to Bingo once during my term as Governor, whether to volunteer to "work" or to play. I promise you, you will have a lot of fun!

Let us please keep this lodge at the heart of this community. Wear your Moose gear with pride, sign up a new member, do what you can to let everyone know in Dover "Who We Are and What We Do"!

Let us continue supporting the Youth Sports programs that are such a success in this community. As I sit here writing this, one of our very own baseball teams is playing for the League Championship!

And lastly, after all this, please do not ever forget our core missions. The Children at Mooseheart and The Seniors at Moosehaven. We all took an oath to support these two wonderful institutions. Please keep them close in your hearts for that is why we are Moose Members!

Let us have a great year together!

Fraternally,
Stephen L. Moynahan
Governor

July - August 2012

Message from the Sr. Regent

Another exciting year is upon us and we have already started out with a lot of great functions and fundraisers. First, I would like to send out a big thank you to all the ladies that help with breakfast. In May we raised \$1350.00 for Amy's Treat and the Father's Day Breakfast raised \$1,000.00 for Table of Plenty in memory of Gene Workman. We have a lot of fun at our breakfast so please come down and support or volunteer. We will be having our Academy of Friendship Night on August 24th please come down and welcome our new Academy of Friendship member Rhonda Dean. For more information on upcoming events check the message board in the Social Quarters.

Fraternally Yours,

Abby Field

WOTM Meeting Date Change

Fishing Trip

Tom and I would like to thank everyone who participated in the fishing trip this year for making it the success that it was. The weather was good, the water was good, and the fishing was good. The Captain kept us on fish all day and the Mate kept us untangled. I was told that we put over 100 fish on the boat that day. We hope that the interest will continue to grow and that we will have many more trips like this. Thank you all Tom and Skip

Social Quarters

Note from the Social Quarters Manager.

It has come to my attention and the house committee that the members/customers of the Loyal Order of Moose Dover #443 are not always treating our bar stewards with the respect they deserve. We as the house committee have asked them to come to work with smiles on their faces and to treat our members/customers with the same respect. It is time that we all start getting along and treat each other with the respect we expect. We would like the gossip and harassment of all to come to a halt. If any of us have a problem please write the house committee a letter with details of the issue and let us do our jobs of running the social quarters.

The other thing that will be discussed with the bar stewards that they will have complete control of the remotes for the TV's and the juke box. The house committee is setting up guide lines on all of this soon. We would like to thank all of you for your support for Mooseheart and Moosehaven and all of the good we do for our community and your continued support for all of endeavors.

Thank You,
Dolph Toigo and the House Committee

Raffles

There are currently two raffles being held at the lodge. Both are for the North East Moose Association. One is the BOLO raffle which is the raffle where you can win bottles of cheer at the Annual Convention in Portland Maine. You do not need to be present to win. The cost is only \$1.00 per ticket.

The second raffle is for a chance to win a lifetime Moose membership. Cost is \$10.00 per ticket.

KIDS FROM MOOSEHEART COMING FOR A VISIT

The kids from the New England Home will be arriving July 25th in Manchester for a three week stay in New England. The North East Moose Association will be getting them the first week they are here before they continue their travels to Connecticut and finally to Massachusetts. More details will follow on the exact details of when they will be at which lodge for visits. Keep your eyes peeled in the Info Center!
